

Intiveo Direct

Your practice.
Your patients.
Your pace.

intiveo.

LEARN MORE

Running a dental practice is complex — but engaging with patients shouldn't be. Intiveo Direct is a ready-to-go solution designed to simplify patient engagement without disrupting your day-to-day operations. Start building stronger patient relationships today, with the flexibility to grow when you're ready.

KEY FEATURES

- Customizable, automated appointment reminders
- Automated recalls
- Outreach suite to engage with patients
- Send, receive, and review patient forms

WHY INTIVEO DIRECT

- **Easy to start:** Purchase online, set up quickly, and get going right away.
- **Designed for your pace:** Start small with the essentials, and add more features as your practice evolves.
- **Trusted support:** Backed by Intiveo's local, industry-leading support team.
- **Future-proof:** When your practice is ready to expand, you can grow with Intiveo — no new vendors, no disruption.
